

On these days the director and workers of the **"Centre for Community Mobilization and Support" NGO** held meetings in provincial administrations of 4 regions **(Lori, Tavush, Gegharkunik, Kotayk).**

The main purpose of the meetings was the signing of the Memorandum within the framework of the **"Multi-Stakeholder Social Protection"** project implemented by the **CCMS NGO** and discussing further actions. The aim of the "Multi-Stakeholder Social Protection" project is to contribute to the identification and improvement of mechanisms addressed to solving social problems of children and families living in especially difficult circumstances of life in Armenia, elaborating recommendations for improvement.

The project is implemented within the framework of the consortium provided by **"Commitment to Constructive Dialogue"** project led by the **"Armenian Lawyers Association" NGO** which is financed by the European Union.
