

Young Citizens Assembly 2017 « Free Together » Creating, engaging, enterprising for a better living together

Seminar / Conference

26-31 May 2017 | Tournai, Belgium - FR

For young project managers, actors of change on own territory with creative or social entrepreneurship projects for a better living together. Come and discuss your practice, and reach an eventual networking phase to create international partnerships.

Attention: Working language: FRENCH!
See French version hereunder.

The last years, there were 2 events linked to the International Organization of Francophony : one « Forum de la langue française » (French language Forum) in July 2015, addressed to young project managers between 18 and 35, and the launching of the campaign « Free Together » by the International Organization of Francophony (www.libresensemble.com).

Following these 2 events, our National Agency, in agreement with the Ministry of the Federation Wallonie Brussels and the International Organization of the Francophony, launch a Young Citizens Assembly called « Free Together » Creating, engaging, enterprising for a better living together.

This activity will be held from 26 to 31/05/2017 in Tournai, Belgium, gathering 50 project managers and a team of a dozen persons.

Half of the participants will come from the participants to the Forum in 2015, and the other half from Programme countries

which are members of the French speaking space (Francophony : members and observers) and also the rest of the world. There will be young project managers from the 5 continents... The age limit was agreed between the Minister and the International Organization of the Francophony.

So, you are between 18 and 35 ? You are a project manager, actor of change on your territory through creative or social entrepreneurship projects in favor of a better living together and in favor of the fight against discriminations ? Then, come and present your practices, discuss them, compare them, improve them and at the end, reach an eventual networking phase in order to create partnerships for international projects.
